## REPORT OF SELECTMEN

---

Landowners who applied for and were granted approval for "current use assessment" (open space) were given a tax reduction — to approximately \$25 per acre. Eight property owners applied on a total of 2566 acres. The Selectmen have application forms available, and encourage participation in this program.

The Selectmen recognize that there are numerous and never-ending inequities in the property appraisals in town. Re-appraisals by outside organizations (state or private) cost many thousands of dollars, and are not always acceptable. We are, therefore, promoting a "do it yourself" program over the next few years. We are primarily concerned with re-appraising houses and buildings at this time, feeling that our land appraisal system is reasonably adequate. As much as possible, we would like to utilize local people in our effort to gather more accurate details on housing and buildings, and at the same time, we will keep our costs to a bare minimum.

As we all know, the cost of running Nelson is rapidly ballooning. This year Nelson's proposed budgt may result in the largest tax rate increase in the history of the town. The Selectmen would like to remind all residents of Nelson, that YOU are the only ones who can control this situation. We strongly urge that you participate in our upcoming Town and School Meetings, and throughout this next year, with your concern, labor, criticisms and ideas.

Respectfully submitted,

MAURICE W. COLLINS, JR.

DOROTHY M. FRENCH,  
Treasurer, Library Trustee

**REPORT OF THE LIBRARIAN**

Nineteen seventy-four was an eventful and prosperous year at the Olivia Rodham Memorial Library.

Adventure Time started the end of January and we had an average of twenty children at the Library each Monday after school during the school year.

Thanks to the Friends of the Library, we were able to purchase the necessary equipment for the Adventure Time Pro-

gram, and this arrived in February. Just a reminder that a film strip projector, record player, and cassette are available on loan for your children's use at home. The Library has access to film strips, records, and tapes also.

The Librarian taught a Library course to seven sixth graders for nine weeks last winter.

The Librarian wishes to thank Sydney Plant for carrying books to the Preschool, and Vera Balch, Marion Bingham, Dorothy French, Natalie McClure, and Carol Steuart for their help in taking books to the Munsonville Elementary School.

The Librarian spoke at a Packersfield meeting and at a Library Co-op meeting in Peterborough last year.

The Librarian took two extension courses at Keene State College last year. One on Introduction to the Public Library, and one on Library Administration.

The Librarian attended two Bookmeetings at the Keene District Office, and three District Advisory Council meetings held in Keene, Antrim, and New London. She was made Vice Chairperson of the Southwest District Advisory Council, and Chairperson of the Planning Board. The Librarian also attended a Mini-film Festival at the Bedford Library.

Six Trustee meetings were held during the year and a new Library Policy was drawn up during the summer.

A summer reading program consisting of a "100 Mile Trail Ride" was held at the Library during the summer months. Forty-eight young people took part in the program, and were given ice cream at the end of the program.

Last October, the Library started holding a film night the second Wednesday of each month at 7:30 p.m. Excellent films are obtained from the State Library.

The Bookmobile made three visits and left 2,197 books. This is 306 books over last year. One hundred twenty-four books were obtained on Inter-library loan, forty-three more than last year.

Books were taken to three shut-ins during the year.

The Librarian wishes to thank Vera Balch, Carol Steuart, and Dorothy and Win French for always being there when needed. Also Joan Warner and Marianne Nelson for helping at Adventure Time.

In December, the Library received a new inside paint job, and beautiful new shelves and carpet. Thanks to all who helped move the Library contents to the Town Hall, and to Patty Warner, Debbie Warner, Colleen Warner, and Dianetha McClure who helped get the books in order in the Town Hall, and back in order at the Library. A special thanks to Bud French who carried many boxes of books all one day from the Town Hall to the Library.

A very heartfelt thank-you to those very special people who gave the shelving and carpet. It is deeply appreciated and greatly improves the appearance of the Library.

One hundred sixty-five books were catalogued during the year.

Number of volumes December 31, 1973	3712
Purchases	52
Gifts	113
	<hr/>
Total number before weeding	3877
Total number weeded and discarded	1196
	<hr/>
Total books in circulation December 31, 1974	2681

The above total is only a tentative figure as a complete inventory must be taken before we can arrive at the correct total of volumes. This will take several months and is planned for this year, along with bringing the Card Catalogue up to date.

All books discarded were given to the Friends of the Library for their book sale.

**Circulation from the Library**

Adult fiction	346
Adult non-fiction	505
Juvenile (including books taken to schools)	2548
<hr/>	
Total circulation	3399

This is an increase of 650 books circulated over last year.

In closing, you are reminded that the Library is open Monday, 1:30 p.m. to 4:00 p.m.; Wednesday nights, 6:30 p.m. to 9:00 p.m.; and Saturday, 9:00 a.m. to 12:00 noon.

Practice your right to read, and use your Library in 1975.

Respectfully submitted,

**PATRICIA PACKARD,**

Librarian

## REPORT OF THE POLICE DEPARTMENT

---

The year just passed has had much the same pattern as 1973 in that there was no noticeable improvement in either the accident rate or the incidence of homes being broken into.

In addition to the usual activity we have been asked to find the owners of two missing horses and also to assist in the removal of dynamite and very active blasting caps discovered beneath a newly purchased home by the owner.

Because of the concern of the Selectmen and several residents about the traffic situation on Route 9, special attention has been given to that area this fall. Early morning patrols have been instituted and in addition with the cooperation of the State Police, Radar has been used quite extensively both in the early morning and throughout the day. It appears that some of the commuters who had been offenders have gotten the message.

This officer has been privileged to attend several schools operated by the State Police, the information received in these has enabled me to do a more efficient job.

As always the help of other law enforcement organizations has been most welcome and thanks are due the State Police, Sheriffs Department, Keene Police, and Mutual Aid.

### Activity Report for 1974

## REPORT OF THE NELSON FIRE DEPARTMENT

---

Your fire department answered 18 alarms during the past year, an increase of nearly 100%. We feel that the main reason for this increase is due to the burning of wood in improper stoves, stove pipes, and poor chimneys.

Although inflation has effected us all including the fire department, we have not increased our budget for many years. We are one of few towns in this area that does not compensate its firemen for any services. The members do most of the equipment maintenance in order to effect savings wherever we can.

At last town meeting a special article was passed providing funds with which to purchase and install a 500 GPM Front end pump for the six wheeled drive truck. This was accomplished. Members provided the labor to connect the 1500 Gal. tank to the pump. We now have two first line pumpers. Note: The new fire truck (1969) is paid for.

Plans for this year include extensive training, painting of No. 2 pumper and the purchase of new equipment.

Your continued support is appreciated and necessary to maintain our First Class Volunteer Fire Department.

Respectfully,

R. G. HUBER,

Chief

## REPORT OF THE PLANNING BOARD

---

The planning board spent most of 1974 working on land sub-division regulations as authorized by the town last year. It has been reasonably difficult to accomplish this as we all consider Nelson unique in many ways, and of course, there are many different viewpoints of residents to consider. Our first rough draft is just about done and we hope to hold public informational hearings in the very near future.

Three sub-divisions of land were approved by the board in 1974.

Respectfully submitted,

JACK ZELLER,

Chairman

## SCHOOL WARRANT

To the inhabitants of the School District in the Town of Nelson qualified to vote in District affairs:

You are hereby notified to meet at the Nelson Town Hall in said District on the 7th day of March 1975, at 7:00 o'clock in the afternoon to bring in your votes for the election of the school district officers. The polls will open not later than 7:00 P.M., nor close earlier than 9:00 P.M.

ARTICLE 1. To choose all necessary school district officers:

A moderator for the ensuing year.

A clerk for the ensuing year.

A member of the school board for the ensuing three years.

A treasurer for the ensuing year from July 1, 1975.

An auditor for the ensuing year.

You are hereby further notified to meet at the Town Hall in said District on March 7, 1975, at 8:00 P.M. to act upon the following subjects:

ARTICLE 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 3. To see if the District will vote to authorize the school board to make application for, and to accept and use in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency.

ARTICLE 4. To see what sum of money the District will vote to raise and appropriate to provide for the services of an additional full-time teacher at the Munsonville School and suitable instructional materials and to authorize the School Board to effectuate the purposes of this Article.

**NOTE:** Increasing school enrollments necessitate the examination of possible alternatives to change the educational programs for Nelson students. There are currently 54 students grades 1-6 with 2 full-time teachers. It appears enrollments will continue at no less than this figure for several years. Dollars attached to this Article (Article 4) are estimated at \$7,250. Dollars attached to the following Article (Article 5) are \$11,529 if just grade 6 students are sent to Keene and \$17,934 if grades 5 & 6 are sent to Keene. Dollars attached to Article 7 are \$9,315 for grade 6 and \$14,490 for grades 5 & 6. Articles 4, 5, and 7, actually provide five alternatives. If any one passes, the others can be "passed over." If none of them pass — the overcrowded situation will be continued as it now exists.

ARTICLE 5. To see if the District will vote to authorize the School Board to enter into tuition contracts for the school year 1975-1976 with the Union School District of Keene at a rate not to exceed twelve hundred eighty-one (\$1,281.00) dollars per pupil for elementary instruction and further, to see what sum of money the District will vote to raise and appropriate for this purpose.

ARTICLE 6. To consider the alternatives for transportation services: (1) to purchase and provide operating costs for one or more school buses; or (2) to continue private contracts for transportation; or (3) to provide for any combination thereof; further to raise and appropriate the necessary funds to effectuate the purpose of this article.

ARTICLE 7. To see if the District will vote to authorize the School Board to enter into tuition contracts for the school year 1975-76 with the Harrisville School District at a rate not to exceed eight hundred eighty-five (\$885.00) dollars per pupil for elementary instruction and further, to see what sum of money the District will vote to raise and appropriate for this purpose.

ARTICLE 8. To see if the District will vote pursuant to RSA 189:11-a to institute a lunch program at the Munsonville School; further, to see what sum of money the District will vote to raise and appropriate for the support of said program, and

if the District will vote to authorize the school board: to make application for, and to accept the use in the name of the district, such funds as may be available from any federal or state agency; to make such contracts and/or agreements as may be necessary; and, to take such other action as may be deemed appropriate to effectuate the purpose of this Article.

ARTICLE 9. To see if the District will vote to establish a Facilities Study Committee composed of not more than seven members, three appointed by the moderator, a town selectman, and the three members of the school board with said committee to meet, review facility problems, formulate alternatives, make recommendations, and report to the District no later than the 1976 District Meeting; further, to see what sum of money the District will vote to raise and appropriate for any expenses incurred by said committee in performing their cited duties.

ARTICLE 10. To see what action the District will take to raise and appropriate a sum of money to be deposited in the Capital Reserve Fund established at the March 1972 District Meeting for "the purpose of the construction, reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes."

ARTICLE 11. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District.

ARTICLE 12. To choose Agents and Committees in relation to any subject embraced in this warrant.

ARTICLE 13. To transact any other business which may legally come before this meeting.

Given under our hands at said Nelson, this 5th day of February, 1975.

DONALD A. BENNETT.

## ANNUAL SCHOOL MEETING

---

**March 1, 1974**

The meeting was called to order at 7:20 p.m. by the moderator, Ethan C. Tolman, in the Munsonville School House.

The check-list was handed over to the Clerk and signed by the Clerk and the Supervisors.

The moderator read the Warrant through Article 1.

The moderator opened the polls for persons wishing to vote for the officers listed by non partisan ballot as required by law. He announced that the polls would remain open until after 9:00 p.m. The meeting was recessed until 8:00 p.m. At 8:00 p.m. the Articles were acted upon as follows after the reading of the Warrant by the moderator.

Mr. Ethan Tolman introduced and welcomed Mr. Day, Mr. Cass, and Mr. Sapone of the Supervisory Union and moved that these guests be allowed to speak at the meeting when asked. Motion was second and prevailed.

Article 2. Motion was made by Mr. Balch to pass over the article: that the reports of Agents, Auditors, Committees, or officers be accepted as written in the Annual Report. The motion was seconded and prevailed.

Article 3. Motion was made by Mr. Donald Bennett that the district provide indemnification for district employees, school administrators, school board members, district officers or agents from personal loss or expense including reasonable legal fees, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person, or accidental damage to property providing the indemnified person, or persons, were at the time of the accident acting within the scope of his, or their, employment or office, all in accordance with RSA 31:105.

Mr. Day explained that the protection would probably be there even if voted down, but that the motion was to be part of the warrant so that the voters would know about it and will have voted upon it. He stated that it follows through on a new state law RSA 31:105; the article does not buy insurance. The motion was seconded and prevailed.

Article 4. Motion was made by Mr. Bennett that \$500 be raised to add to the Capital Reserve Fund established at the March 1972 District Meeting for "the purpose of the construction, reconstruction of buildings and/or purchase of equipment, and/or the acquisition of land for school purposes." The motion was seconded and prevailed. (Note: this brings the amount to \$1500, plus interest on the \$1000 previously voted.)

Article 5. Motion was made by Mr. Huber that Article 5 be accepted as read: To see if the District will vote to authorize the school board to make application for and to accept and use in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency. The motion was seconded and prevailed.

Article 6. Article 6 was read: to consider the alternatives for transportation services: (1) to purchase and provide operating costs for one or more school buses; or (2) to continue private contracts for transportation; or (3) to provide for any combination thereof; further to raise and appropriate the necessary funds to effectuate the purpose of this article.

Mr. Bennett asked for a report of the transportation committee. The report was made by Barry Tolman. Four alternatives were open to the town:

1. Joint venture with Stoddard.

This was investigated. Stoddard was not interested.

2. Leasing a bus — with the possibility of running it by town.

This was discussed. Brought up were: it would eliminate one round trip if bus were garaged in Nelson; children would get to school closer to opening time; it appeared that the cost would be about the same as present but that owners would not give exact figures; breakdowns or sick drivers would be a problem.

3. Purchase of a bus.

This was discussed. Brought up were: cost to be \$8,000-\$9,000; deliveries have been late, order now not necessarily to yield a bus by September; Hillsborough had two buses now; breakdown of costs with 5-year amortization as follows:

1st year — principal and interest (\$2,061),  
operating (\$2,500-3,000, fuel (\$1,000),  
insurance (\$300), maintenance (\$500),  
garage (town barn adequate).

Additional statements: no law on age of bus, but very rigid state inspection; really don't know what the price of fuel, etc. will be, particularly nowadays.

4. Present system — contract with Cheshire Transportation Co.

Cost \$9,600-11,520. Can limit to one year contract if desired.

Mr. Bennett mentioned that this was a bad year to decide on changes because of the energy "crisis," etc. and Moved: the town negotiate a one-year contract with Cheshire Transportation, and that further study of the problem be undertaken. The motion was seconded and prevailed.

Article 7. Motion was made by Mr. Donald Bennett that the District raise and appropriate the sum of \$95,731.00 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district. The motion was seconded and discussion followed.

Question was raised as to why the price of tuition had

jumped. Mr. Cass explained that the number of students is greater and the fees are greater. In addition Nelson is making use of special education classes in Keene. The motion was brought to a vote and prevailed.

Article 8. Article 8 was read: to choose Agents, Auditors, and Committees, in relation to any subject embraced in this warrant. It was moved that a transportation committee be selected. The motion was seconded and prevailed. Nominated for the committee were: Mr. Richard Steuart, Mr. Mike Iselin, and the school board.

Article 9. (To transact any other business which may legally come before this meeting.)

At this time:

Mr. Sidney Partridge spoke upon the subject of improper postings of warrants and other legal notices.

Mrs. Lape moved that we extend our appreciation to Mr. Day for his work as superintendent and his work with Nelson. Approval was shown.

On behalf of the Nelson School Board, Mr. Donald Bennett expressed appreciation to Mr. Day.

Karen Tolman suggested that a special day for the school caucus be set aside so that it would be unnecessary to hurry from the school caucus to the town caucus; that the two should be on different days.

Mr. Day introduced Mr. Sapone as the new Superintendent of the Supervisory Union. Mr. Day then gave a short farewell message.

The moderator adjourned the meeting after the announcement by the Selectmen that the Town Reports would be available by next Saturday.

The ballots for School District Officers were counted by the Moderator, Supervisors of the Check-List, the Clerk, and

ballot clerks — Peter Parker Jr., David Sobel and Tina Staller.  
The results were as follows:

Office	Candidate Elected	Votes	Total Votes Cast
Moderator	Ethan C. Tolman	60	64
School Board Member	Natalie M. McClure	23	64
School Clerk	Carol L. Neil	30	40
Treasurer	Ruth R. Staples	59	60
Auditor	Richard G. Steuart	58	60

Natalie McClure submitted a written resignation as Treasurer of the Nelson School District.

The School Board appointed Ruth R. Staples as Treasurer to complete the term of Natalie McClure.

Natalie McClure, Carol Neil and Ruth Staples were sworn into office by the Moderator.

Respectfully submitted,

CAROL NEIL,

School Clerk, Town of Nelson

I certify that this is a true copy of the minutes of the district meeting held March 1, 1974.

## ADMINISTRATIVE REPORT

---

The 1974-1975 school year has been a year of transition. We are settled in our new quarters and have moved the affairs of the Union in spite of unforeseen obstacles.

The New England School Development Council has been engaged to study the business and computer aspect of our school operation and has submitted its report. The results of this study are currently being implemented as we progress to improve our management operations in major school areas.

In December the contract for the Cheshire Vocational Center was ratified by all parties concerned. Our high school students and the adults of the community will benefit from the greatly expanded offerings.

The Staff Development Committee developed and received approval of the newly mandated recertification program giving the local school districts the authority for total recertification. Our Staff Development Program will be integrated with district and school goals as a result of the committee's finalized plan. Staff Development is an attempt to provide in-service workshops dealing with subjects such as reading, media, outdoor education, computer, learning stations and career education. The in-service programs are derived from a needs assessment conducted by the Staff Development Committee. All the resources of Supervisory Union 29 serve as the cadre in providing instructors for the course offerings; Keene State College, teachers, administrators, business personnel, etc. All are encouraged to participate in the Staff Development program of the union.

Mrs. Martin has been involved on a continuous basis in our principals' meetings designed to provide direction for the Munsenville School and for other schools as a part of Supervisory Union 29. Mrs. Martin's input into these meetings representing Nelson has, indeed, been stimulating and productive.

Community involvement with the school program is a partnership in the teaching-learning process to the benefit of our school children. These services come in the form of library supervision, library skills, physical education, square dancing with professional fiddler, caller, and pianist, and fingerprinting with the Keene Police Department. This total community involvement provided our children with many fine experiences which we would otherwise not be in a position to furnish from tax dollars. A load of sand was delivered to our school when the need was mentioned. We are very much aware of these kinds of supportive services and are grateful.

Despite overcrowding at the Munsonville School, our fine staff has been able to incorporate many life skills into the curriculum. The youngsters have made pickles, ice cream, butter and applesauce. Athletic programs in ice skating, mountain climbing, etc. have been provided, and last but not least, a budding poet had his work published in the Keene Evening Sentinel. The children have visited the Thorne Art Gallery to view an antique toy show and the college provided trunks of period clothing for the children to wear.

This year we have the added services of Mrs. Dorothy Zeller who functions as resource teacher and teacher aide, providing individual assistance to youngsters who have learning difficulties. One quarter of Mrs. Zeller's time is devoted to assisting our full-time teachers with some of the non-teaching duties. The addition of music and art instruction in our school is, indeed, a worthwhile experience. We are making every reasonable effort to comply with State Minimum Standards for Elementary Schools. We have not recommended expanded services due to the economic pressures.

The increased use of the Monadnock Children's Special Services Center is another excellent part of the total school program. The Center has added two school psychologists and a social worker. These specialists add to their current specialized staff and provide additional services to the children of Nelson, helping them to succeed in their school and life endeavors.

As we put materials together for this annual report, we

are without the services of our Business Manager. I want to take this opportunity to commend our school board, administrators, and supportive staff at 34 West Street. All have displayed an exemplary "team" spirit.

## REPORT OF THE MUNSONVILLE PRE-SCHOOL ASSOCIATION

---

### For the Year 1973-74

The Munsonville Pre-School was granted its license to operate for the school year 1973-74 and began classes in September. Classes were held Mondays, Tuesdays and Wednesdays from 9 a.m. to 12 noon. The Pre-School observed the same vacations and days off as the Munsonville School. Classes concluded with the graduation June 14, 1974 of 5 children.

The Pre-School holds classes at the Chapel-By-The-Lake in Munsonville, paying the Methodist Church for a share of the heat and electricity. Fencing is being purchased for an outdoor play yard.

Tuition was kept as low as possible in order to make schooling available to all Nelson Pre-School age children: \$3.00 per month for four year olds who attended once a week and \$6.00 per month for five year olds who attended three times a week. Children from out of town have been accepted, when space allowed, to add additional tuition income.

We participated in a state program for eye and ear testing. The Nelson children were given readiness testing at the Munsonville school.

In order to meet expenses it was necessary for the Association to supplement the tuition through money raising projects held throughout the year, and it gratefully accepted private donations. This money is used to improve classroom supplies and for operating expenses which include the teacher's salary, heating, electricity and general expenses.
